

# Children's Home Inventory for Listening Difficulties

## Questions for Parent to Answer

Try the following situations with your child or recall how your child has responded under these various situations. Everyone has some difficulty hearing clearly and understanding in some situations. Choose the level on the Understand-O-Meter you think describes your child's abilities most closely and place this number in the blank at the end of each question. This can be very difficult but try to estimate the child's listening abilities as best you can.

Child's Name: \_\_\_\_\_

Parent Completing CHILD: \_\_\_\_\_

## Understand-O-Meter

1. Sit next to your child and look at a book together or talk about something in front of you using familiar words and a normal conversational manner. Talk in a quiet place and sit so your child is not looking at your face as you talk together. How difficult does it seem for your child to hear and understand what you say? \_\_\_\_\_
2. Gather your family together for a meal at home or in a fairly quiet restaurant. Sit across the table from your child and ask some questions about a familiar topic or event. How difficult does it seem to be for your child to hear and understand ? \_\_\_\_\_
3. When your child is in his or her bedroom playing quietly, walk into the room and tell or ask the child something. Do not say the child's name or try to get their attention first. How difficult does it seem for your child to hear and understand ? \_\_\_\_\_
4. Watch a TV show or video (not cartoons) with your child. Ask questions about what was said or events in the show that were understood by listening to the dialogue. How difficult does it seem for him or her to hear and understand what people are saying on the TV show? (Show is seen for the first time and not closed captioned) \_\_\_\_\_
5. Observe your child playing inside with a friend, brother or sister. Watch for the other child to ask him or her to do something. How easy does it seem to be for your child to hear and understand other children when they talk? \_\_\_\_\_
6. When your child is watching TV or playing with a noisy toy, walk into the room and talk to him or her without first getting the child's attention. How difficult does it seem for your child to hear and understand the person when the noise from the TV or toy is on? \_\_\_\_\_
7. Call your child's name from another room when he or she is not able to see you. How difficult does it seem for him or her to hear and realize you are calling? \_\_\_\_\_
8. Use a clock radio or alarm when it is time for your child to get up. How difficult does it seem to be for him or her to hear an alarm clock or clock radio go off? If no clock is used how difficult is it for him or her to hear your voice and wake up without having to be touched or shaken? \_\_\_\_\_
